Wisconsin Association of Behavioral Health Services

414-276-2582 or info@wabhs.org

The Wisconsin Association of Behavioral Health Services will be holding a special event on Friday, February 24th featuring, Dr. Tracy Todd, Ph.D., LMFT, who is the Co-Owner Brief Therapy Institute of Denver.

Dr. Todd will be speaking on the Best Practice Standards and Client Based Practice Building: Essentials for Today's Mental Health Market. Topics will include: best practice standards, empowering clinicians to be better business people, today's market and national trends, providers that demonstrate best practice standards and on-line directories and resources. This program is also endorsed and has been approved by the Wisconsin Association of Marriage and Family Therapy for 6 CEU's.

The event is being held at the Country Springs Hotel and Conference Center in Pewaukee on Friday, February 24, 2006 - 9:00 am – 4:00 pm. The cost is \$110 for WABHS members and \$125 for Non-Members.

To register, contact the WABHS office at 414-276-2582 before Thursday, February 23rd.
